

## KEVLAR HALMET

1. The helmet will be worn on the head (not tilted back), use the two-finger rule. Chin straps will be fastened and loose ends with olive drab tape.
2. The camouflage cover will have the rank (pin on or sew on) placed center and 2 1/1 inches up from the rim of the helmet. Note: The bottom of the insignia (not the cloth backing) is positioned 2 1/2 inches from the rim of the helmet.
3. The camouflage band will have the soldiers last name sewn on it.
